

Longparish Church of England School

Admissions Policy from September 2021

Admissions to Year R

This policy will be used during 2021/2022 for allocating places in the main admission round for entry to YR R in September 2021. It will also apply to in-year admissions during 2021/22. Outside the normal admissions round, the Fair Access protocol will be applied alongside the policy to secure the admission of vulnerable pupils from specific groups.

The Governing Body of Longparish Church of England School is the admission authority for **Longparish Church of England Primary School**. The admission arrangements are determined by the Governing Body, after statutory consultation.

The Published Admission Number (PAN) for Longparish Church of England School (**The School**) is 15. The school will admit this number if there are sufficient applications. Where fewer applications than the published number are received, places will be offered to all those who have applied.

The guiding principle of admissions to this school is that a church school should serve its local community, defined in the trust deed of 1903 as the ecclesiastical parish of Longparish, and latterly, the ecclesiastical parish of Hurstbourne Priors and the Local Authority Catchment Area. The policy aims to be clear, fair and objective and to comply with all relevant legislation. This policy is underpinned by the school's own ethos of excellence, friendship and respect.

Outside the normal admissions round, the Local Authority's Fair Access protocol will be applied alongside the policy to secure the admission of vulnerable pupils from specific groups.

The governors will admit any pupil whose final statement of special educational needs names **The School**. Where possible such children will be admitted within the PAN.

If **The School** is oversubscribed, places will be offered in the following priority order. Applications received after the deadline (15 January 2021) will be prioritised for admission using the same criteria:

Admission Criteria

1. **Looked after children or children who were previously looked after.** (see Definition A)
2. **(For applicants in the normal admission round only)** The child or their family who have a **serious medical, physical or psychological condition** which makes it **essential** that the child attends the preferred school rather than any other. (Appropriate medical or psychological evidence must be provided in support at the time of application.) (see Definition B)
3. A child **living in the catchment area** of **The School**: (see Definition C)
 - (i) Children who at the time of admission have a **sibling** (see Definitions D) on the roll of **The School**.
 - (ii) Other children living in the catchment area of **The School**.
4. A child **living out of the catchment area** of **The School**:
 - (i) Children who at the time of admission have a **sibling** (see Definitions D) on the roll of **The School**.
 - (ii) A child or a child with a parent who is an active member of one of the benefice Parish churches and who requests admission on denominational grounds and provides relevant evidence. (see Definition E)
 - (iii) Other children.

Definitions

A **Looked after children or children who were previously looked after**

This criterion provides priority for children who are (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in section 22(1) of the Children Act 1989). It can also be used for children who were previously looked after but immediately after being looked after became subject to an adoption order, child arrangements order, or special guardianship order. An adoption order is an order under section 46 of the Adoption and Children Act 2002 or section 12 of the Adoption Act 1976. Child arrangements orders are defined in section 8 of the Children Act 1989, as amended by section 12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

B **Serious medical, physical or psychological condition**

Where a place is requested for a child or family who have a serious social or medical, condition, you must supply supporting independent evidence at the time of application confirming the reason(s) why attendance at **The School** is essential rather than any other school. You must also describe the difficulties that would be caused if the child had to attend another school. The evidence should be provided by a suitably qualified medical professional. The evidence will be considered carefully in confidence by the admissions committee of The Governing Body, who will endeavour to reach a fair and equitable decision.

C **The Catchment Area**

The catchment area for Longparish Church of England School is the Ecclesiastical Parishes of Longparish and Hurstbourne Priors and, in addition, the Local Authority defined catchment area. The child's permanent residence is where they live, normally including weekends and during school holidays as well as during the week, and should be used for the application. The permanent address of children who spend part of their week with one parent and part with the other, at different addresses, will be the address at which they spend most of their time.

Moving home & UK service personnel & crown servants

Places can only be offered on the basis of future moves on the basis of:

- a letter from the solicitor (or equivalent) confirming exchange of contracts to buy a property relevant to the application;
- a tenancy agreement confirming the renting of a specific property relevant to the application;
- a letter from a housing association confirming that the parent(s) will be living at a specific address relevant to the application; or
- in the case of UK service personnel and Crown servants, an official government letter declaring the relocation date and stating a quartering or unit address (MOD, FCO or GCHQ) to establish distance from **The School**.

To be considered all evidence must be submitted at the time of application.

D **Siblings**

'Sibling' refers to a brother or sister, half brother or half sister, adoptive brother or adoptive sister, step brother or step sister, and includes children living as siblings in the same family unit. 'It will also be applied to situations where a full or half brother or sister are living at separate addresses. Categories 3(i) and 4(i) includes children who at the time of application have a sibling for whom the offer of a place at the preferred school has been accepted, even if the sibling is not yet attending.

E **Active member of a Christian Church**

'Active member of a Christian church' is defined as attending worship regularly at one of the Churches in the benefice of Hurstbourne Priors, Longparish, St Mary Bourne and Woodcott. Regular attendance, as recognised by church leaders in the relevant church, will be for at least one year prior to the close of admissions of **midnight on 15 January 2021**. Parents applying under criterion 4(iii) are required to complete a Supplementary Information Form (SIF), which asks for declaration and verification of your child or your active membership. The SIF, which is available below or as a paper copy from **The School** office, must be completed and returned to **The School** by **midnight on 15 January 2021**. (As it is a paper form that needs to be signed, the SIF is not available for completion online.)

If a disability or other 'special needs' circumstances prevents regular attendance (as defined above) at a specific place of worship but the person concerned is recognised by the church leaders as a 'regular worshipper' then this can be taken into consideration in your declaration and the verification of your "Active membership of a Christian Church".

Additional Information

Tie-breaker

If **The School** is oversubscribed from within any of the above criteria or sub-criteria, straight line distance will be used to prioritise applications; applicants living nearer **The School** have priority. The Local Authority's Geographic Information Systems (GIS) will be used to determine distances from the defined point of the home address point to defined point of **The School**.

Distances to multiple dwellings will give priority to the ground floor over the first floor and so on. On individual floors, distances will be measured to the stairs leading to the communal entrance. If distances are equal (for example within a block of flats), lots will be drawn by a person independent of The Governing Body to determine the allocation of a place.

Who can apply

Only a parent can apply for a place at a school. A parent is any person who has parental responsibility for or is the legal guardian of the child, as set out in the Children Act 1989.

How to apply

The Local Authority operates a Co-ordinated Admissions scheme which processes all main round (ordinary) admission applications. They also publish a Composite Prospectus which details all admission arrangements for schools within the Local Authority. Please see www.hants.gov.uk for the prospectus and details of the scheme.

You must complete a Local Authority Application Form available from website www.hants.gov.uk If you wish to use the "Active member of a Christian church" criteria to support your application you must also complete a Supplementary Information Form (SIF). This form is available below or as a paper copy from **The School** office. Please also see the definition on 'Active member of a Christian Church'.

Offering places

The Governing Body will consider first all those applications received by the published deadline of **midnight on 15 January 2021**. Notifications to parents offering a place will be sent by the Local Authority on **18 April 2021**.

Applications made after **midnight on 15 January 2021** will be considered after all on-time applications have been fully processed unless exceptional circumstances merit consideration alongside on-time applications.

For the normal admission round, all on-time preferences will be considered simultaneously and ranked in accordance with the admission criteria. If more than one school can offer a place, the parent's highest stated available preference will be allocated.

Pupils with a statement of special educational needs

The governors will admit any pupil whose education, health and care plan (previously a final statement of special educational needs) names **The School**. Where possible these children will be admitted within the PAN.

Multiple births

Where a twin or child from a multiple birth is admitted to a school under this policy then any further twin or child of the same multiple birth will be admitted, if the parents so wish, even though this may raise the number in the year group above **The School's** PAN.

In-year applications (ordinary)

The allocation of any places which may become available during the year will be made on the basis of the current Admissions Criteria. There are no deadline dates for in year applications. Applications must be made using the Local Authority Admission Form available on line at www.hants.gov.uk. Any parent with parental responsibility can apply for a place for their child at any time to any school. The Governing Body will decide whether a place can be offered at **The School**.

In-Year Fair Access placements by the local authority

The local authority must ensure that all pupils are placed in schools as quickly as possible. It may therefore sometimes be necessary for a pupil to be placed by the local authority, or a local placement panel acting on behalf of the authority, in a particular school even if there is a waiting list for admission. Such placements will be made in accordance with the provisions of the local authority's In-Year Fair Access Protocol. The Protocol is based on legislation and government guidance.

Waiting lists

When all available places have been allocated a waiting list will be operated by **The School**. All children not being offered a place will automatically be placed on the waiting list for **The School**. Waiting lists for any academic year will be maintained for the whole of that year.

Any places that become available will be allocated according to the criteria of the admission policy with no account being taken of the length of time on the waiting list or any priority order expressed as part of the main admission round. Fair Access admissions and school closure arrangements will take priority over the waiting list.

The waiting list will be reviewed and revised:

- each time a child is added to, or removed from, the waiting list;
- when a child's changed circumstances affect their priority;
- periodically when parents, with a child on the waiting list, will be contacted and asked if they wish to remain on the list for the following school year.

At the time of receiving an offer of a school place parents will be advised of the process for adding their child's name to a school's waiting list. Parents may keep their child's name on the waiting list of as many schools as they wish and for as long as they wish.

Starting school and deferred entry to Year R

Pupils born between 1 September 2013 and 31 August 2014 (inclusive) are entitled to full-time schooling from September 2019. Parents can request that their child's admission is deferred until later in the school year (usually at the start of a school term), but not beyond the point they reach compulsory school age, at the beginning of the term following their fifth birthday. Parents can request that their child attends part-time until the child reaches compulsory school age.

Children with birthdays between:

- 1 September and 31 December 2013 (inclusive) reach compulsory school age on 31 December 2019, and must be in school at the start of the Spring term.
- 1 January and 31 March 2014 (inclusive) reach compulsory school age on 31 March 2019, and must be in school at the start of the Summer term;
- 1 April and 31 August 2014 (inclusive) reach compulsory school age on 31 August 2019, and must be in school at the start of the new school year in September.

It is recommended that parents considering such a request contact **The School** as early as possible to ensure that an informed decision is made.

Admission of children outside their normal age group

Parents may seek a place for their child outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. In addition, the parents of a summer born child may choose not to send that child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group – to reception rather than year 1.

Admission Appeals

If you are unsuccessful in being offered a place for your child at **The School** you will be informed by The Local Authority in writing, be given reasons for the refusal and informed of your right to an independent appeal against the decision.

Warning

Places are withdrawn every year because parents give false information on application forms, e.g. a false 'home address'. This includes cases where parents take out a short-term let or buy a property solely to use its address on the application form without any intention of taking up permanent residence there. In fairness to all parents, all allegations of fraudulent practice brought to The Governing Body attention will be investigated. The Governing Body reserves the right to withdraw the offer of a place if fraudulent or intentionally misleading information has been used on an application.

Legislation

This policy takes account of all relevant legislation including the legislation on sex discrimination, race relations, and disability, together with all relevant regulations and the School Admissions Code (published by the DfE in 2014).
