

Dear Parent/Carer,

Wraparound Clubs are now live for the Autumn Term. We are writing to let you know that our prices for our breakfast and after school clubs will remain the same up until September.

There will likely be an additional price change in September 2023, however, we will be monitoring inflation and our costs as a business and any changes will be outlined closer to the new academic year.

We recommend that you book early take advantage of the lower price and secure your child's place in the wraparound clubs.

A poster with the costs can be found on the PDF poster attached separately to our email.

Our full T&Cs can be found [here](#).

To book your child onto a session you will need to visit our booking page at <https://phsports.childcare-online-booking.co.uk/> and follow the link. Should you need it, you can find more information on our website, including a link to a [video tutorial](#) to support you with the registration and booking process.

If you have any questions or comments regarding our prices, please contact us, not your child's school.

Our email address is bookings@phsports.co.uk or you can call us on 01225 701830.

Kind regards,

Pete

PH Sports
