1. Introduction/Aim

At Longparish CE Primary School we believe that regular school attendance is essential if children are to achieve their full potential. We value the attendance of all pupils.
Missing out on lessons leaves children vulnerable to falling behind and can put them at risk of wider harm. There is a wide range of evidence as to the health and wellbeing benefits of school-age education. Research commissioned by the Department for Education shows missing school for even a day can mean a child is less likely to achieve good grades, which can have a damaging effect on their life chances. As set out in this policy, we will work with families to identify the reasons for poor attendance and try to resolve any difficulties at the earliest opportunity.

Our attendance policy aims to give clear guidance to staff, parents, pupils, and governors/trustees to:

- Promote good attendance, enabling pupil's achievement by establishing the highest possible levels of attendance and punctuality.
- Recognise the key role of all staff in promoting good attendance.
- Provide a clear framework for monitoring and responding to pupil absences, acting early to address patterns of absence.
- Building strong relationships with families to ensure pupils have the support in place to attend school.
- Promote positive support systems and advocate multi-agency approaches to improve attendance.
- Make parents aware of their legal responsibilities and ensure their children have access to the education to which they are entitled.

We recognise that attendance is a matter for the whole school community. Our Attendance Policy should not be viewed in isolation; it is a strand that runs through all aspects of school improvement, supported by our policies on safeguarding, prevention of bullying, behaviour, and inclusive learning. This policy also considers the Human Rights Act 1998, the Equality Act 2010, UN Convention on the Rights of the Child, and other relevant legislation.

2. Legal Framework

This policy meets the requirements of the Working together to improve school attendance from the Department for Education (DfE), and refers to the DfE's statutory guidance on school attendance parental responsibility measures.

Section 7 of the 1996 Education Act states that parents must ensure that children of compulsory school age receive efficient full-time education suitable to their age, ability, and aptitude to any special educational needs they may have, either by regular attendance at school or otherwise. A child is of compulsory school age at the beginning of the term following their 5th birthday. A child ceases to be of compulsory school age on the last Friday in June of the school year in which they reach the age of 16.

The government expects all schools and local authorities to:

- Promote good attendance and reduce absence, including persistent and severe absence.
- Ensure every pupil has access to full-time education to which they are entitled.
- Act early to address patterns of absence.

Parents are expected to perform their legal duty by ensuring their children of compulsory school age who are registered at school attend regularly.

In accordance with the Education Act 1996, we will work with parents and carers and the Local Authority to ensure that parents and carers are supported to secure education for children of compulsory school age. Where required, we will formalise support and where necessary, work with the LA to use legal measures.

A “Parent” is defined as:

- Any natural parent, whether married or not.
- Any parent who, although not a natural parent, has parental responsibility as defined in the Children Act (1989) for a child or young person.
- Any person who, although not a natural parent, has care of a child or young person.

3. Roles and Responsibilities

At Longparish we believe that improving school attendance is everyone's business. It is a shared responsibility by governors/trustees, all school staff, parents, pupils, the wider school community and multi-agency partners. We aim to always work in partnership with our parents.

Role	Name	Contact details
Senior Attendance Lead/Champion	Admin and Finance Officer	adminoffice@longparish.hants.sch.uk
Attendance Officer	Admin Assistant	
Named Governor for Attendance	Graeme Johnson	

The Governors of Longparish recognise the importance of school attendance and promotes it through the school's ethos and across its policies. They may take an active role in attendance improvement by:

- Setting high expectations of all leaders, staff, pupils, and parents so that children attend school every day and are safeguarded.
- Identifying a member of the governing body/trustee to lead on attendance matters and ensuring that there is a named senior manager to lead on attendance.
- Prioritising attendance in strategies, such as raising attainment, behaviour and combating bullying, special educational needs and disabilities, wellbeing, and safeguarding.
- Ensuring school leaders fulfil expectations and statutory duties by rigorously evaluating the effectiveness of the school's attendance procedures so that consistent attendance support is provided for all pupils.
- Ensuring the schools' attendance management processes are delivered effectively, and that consistent attendance support is provided for pupils who require it most by prioritising the staff and resources needed. This includes ensuring schools engage and work effectively with the local authority School Attendance Support Team and wider local partners and services.
- Regularly reviewing attendance data, discussing, challenging trends, and helping school leaders focus improvement efforts on the individual pupils or cohorts who need it most.
- Ensuring high aspirations are maintained for all pupils and processes for support are adapted to the individual needs of pupils including those with long term illnesses, special educational needs and disabilities, pupils with a social worker, those pupils under the Virtual School and pupils from cohorts with historically lower attendance such as those eligible for free school meals.
- Ensuring all school staff receive adequate training on attendance and that relevant staff have access to opportunities to share and learn from good practice in other schools.

- Ensuring that attendance data is shared with the Local Authority or Department for Education in line with statutory reporting deadlines.
- Reviewing the school's Attendance Policy on at least an annual basis, ensuring that the required resources are available to fully implement the policy, which is published and publicised regularly so that it is easily accessible to pupils, parents and staff.

The Senior Management Team Longparish School will:

- Actively promote the importance and value of good attendance to pupils and their parents.
- Form and maintain positive relationships with pupils and parents.
- Ensure that there is a whole school approach which reinforces good school attendance, with good teaching and learning experiences, with a whole school culture that encourage all pupils to attend and to achieve.
- Make sure all teaching and non-teaching staff know the importance of good attendance, are consistent in their communication with pupils and parents, and receive the training and professional development they need.
- Have a clear school attendance policy which all staff, pupils and parents understand. Monitor the implementation and effectiveness of the Attendance Policy and ensure that the policy is reviewed annually.
- Ensure the school have accurate, complete admission and attendance registers and have effective day to day processes in place to follow-up absence.
- Regularly monitor and analyse attendance and absence data to identify pupils or cohorts that require support with their attendance and put effective strategies in place.
- Share information and work collaboratively with other schools in the area, local authorities, and other partners where a pupil's absence is at risk of becoming persistent or severe.
- Ensure that there is a named Senior Attendance Champion to lead on attendance and allocate sufficient time and resource.
- Attend the termly school attendance supporting meetings with the local authority, focusing on those pupils with severe absence, making sure a regularly reviewed plan is in place.

All staff at Longparish CE School will:

- Actively promote the importance and value of good attendance to pupils and their parents.
- Form positive relationships with pupils and parents.
- Contribute to a whole school approach which reinforces good school attendance; with good teaching and learning experiences that encourage all pupils to attend and to achieve.
- Know the importance of good attendance, are consistent in their communication with pupils and parents, and receive the training and professional development they need.

The member of staff responsible for attendance will work to further develop relationships with families to bring about improved attendance. This may involve seeking multi-agency support.

Longparish School requests that parents:

- Take a positive interest in their child's work and educational progress.
- Ensure their child has regular attendance at school.
- Instill the value of education and regular school attendance within the home environment.
- Contact the school if their child is absent to let them know the reason why and the expected date of return, following this with a note wherever possible.
- Avoid unnecessary absences; for example, by making medical and dental appointments for outside of school hours.
- Ask the school for help if their child is experiencing difficulties with any aspect of their schoolwork or home and family life.
- Inform the school of any change in circumstances that may impact on their child's attendance.
- Support the school by becoming involved in their child's education, forming a positive relationship with school, and acknowledging the importance of children receiving the same messages from both school and home.
- Maintain effective routines at home to support good attendance.
- Attend all meetings requested to discuss attendance issues.

Further information can be found at: Attendance guidance for parents | Hampshire County Council (hants.gov.uk)

Pupils will:

- Be aware of the school's attendance policy and when and where they are required to attend. This will be communicated to them by school staff, parents and through the school timetable.
- Speak to their class teacher or another member of staff if they are experiencing difficulties at school or at home which may impact on their attendance.
- Attend all lessons ready to learn, with the appropriate learning tools requested and on time for the class.
- Bring a note of explanation from their parents or guardians to explain an absence that has happened or is foreseen.
- Follow the school procedure if they arrive late. This will help the school to monitor attendance and keep accurate records for the child's individual attendance. This is also vital for health and safety in the event of a school evacuation.

4. Categorising Absence and Attendance

When marking our registers, we will apply the national codes as outlined and regulated by the Department for Education guidance to accurately record and report attendance.

4.1 Leave of Absence

Since September 2013, changes to Government regulations and guidance mean that Headteachers can no longer authorise leave of absence unless there are exceptional circumstances. Generally, the DfE does not consider a need or desire for a holiday or other absence for the purpose of leisure and recreation to be an exceptional circumstance. Leave of absence should not be granted for a pupil to take part in protest activity during school hours. All absences associated with a holiday or other absence for the purpose of leisure and recreation during term time will be marked as unauthorised within the register. Any parents known to have removed their child from school for the sole purpose of a holiday or other absence for the purpose of leisure and recreation may be referred to the Local Authority and be issued with a penalty notice fine or referred to the Local Authority to consider prosecution.

We believe that children need to be in school for all sessions so that they can make the most progress possible. However, we do understand that there are times where a parent may legitimately request leave of absence for a child due to 'exceptional circumstances'. At Longparish, leave of absence is only granted at the discretion of the Headteacher and shall not be granted unless there are 'exceptional circumstances'. Longparish will respond to all applications for leave of absence in writing.

Parents wishing to apply for leave of absence during term time must apply in writing to the Headteacher at least a month before the planned leave where possible (see Appendix 2). If a written request for leave of absence is not completed and the leave is taken without a request being submitted, the leave will not be considered by the

Headteacher, and it will be marked as unauthorised. Longparish will treat each application individually and discuss with you the circumstances of the application before a decision is made. Retrospective requests will not be considered and therefore will result in the absence being categorised as unauthorised.

A penalty notice request or a referral for prosecution may be submitted to the Local Authority should: -

- The parent fails to submit a leave of absence request in advance of taking the leave.
- An application for a leave of absence is not agreed by the Headteacher but is still taken.
- A longer period is taken more than the agreed number of days.

When absence is granted by the Headteacher, the parents will need to agree a date of return. If a pupil fails to return on the expected date and contact is not received from, or made with the parents, school will seek advice from the Local Authority. This could result in possible children missing from education procedures being instigated.

The 1996 Education Act also sets out the circumstances in which a pupil has not failed to attend school regularly and therefore the parent has not committed an offence.

4.2, 4.3, 4.4 are examples of these. The full list is in the Appendix 6.

4.2 Medical Appointments and absence due to illness

Parents should try to make appointments outside of school hours wherever possible. Where appointments during school time are unavoidable, we ask that parent notifies the school in advance of the appointment wherever possible. The pupil should only be out of school for the minimum amount of time necessary for the appointment. In most circumstances, a child should not miss a whole day at school for an appointment. If a pupil must attend a medical appointment during the school day, they must be signed out by the parent in the reception area folder. No pupil will be allowed to leave the school site without parental confirmation.

In line with Department for Education guidance, if we do have a genuine concern about the authenticity of the illness, we may ask the parent to provide medical evidence, such as a prescription, appointment card, or other appropriate form of evidence. If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised.

Where a child has an emerging pattern of non-attendance, we will discuss the reasons for absence with the child's parent. We will invite parents to attend a support meeting as an appropriate early intervention strategy. As part of this support, we may seek consent from parents and the pupil as appropriate to make a referral to the School Nursing Team and/or to liaise with the child's healthcare professional.

Where a pupil has a verified and chronic health condition, we will aim to work with parents to ensure children have access to education and provide appropriate support

in line with Supporting pupils with medical conditions at school and Hampshire policies regarding supporting children with health issues, Behaviour and attendance resources for schools | Hampshire County Council (hants.gov.uk). We will also consider whether an Individual Healthcare Plan is required.

4.3 Pupil Absence for the purposes of Religious Observance

We acknowledges the multi-faith nature of British society and recognise that, on some occasions, religious festivals may fall outside school holiday periods or weekends and is recognised as such by a relevant religious authority. Where this occurs, the school will consider either authorising the pupil absence or making special leave for religious observance. Parents are requested to give advance notice to the school.

Working together to improve school attendance - GOV.UK (www.gov.uk) page 86

4.4 Parent travelling for occupational purposes

The pupil is a mobile child and their parent(s) is traveling in the course of their trade or business and the pupil is traveling with them. A mobile child is a child of compulsory school age who has no fixed abode and whose parent(s) is engaged in a trade or business of such a nature as to require them to travel from place to place.

To ensure we can effectively support all our pupils, we ask that parents:

- Advise the school of their forthcoming traveling patterns as soon as these are known and before they happen; and
- Inform the school regarding proposed return dates.

4.5 Unauthorised Absence

Absence will not be authorised unless parents have provided a satisfactory explanation and it is accepted as such by the school. The decision to authorise absences is at the discretion of the Headteacher. Examples of unsatisfactory explanations include but are not limited to:

- A pupil's/family member's birthday.
- Shopping for uniforms.
- Arrangements or appointments for cutting the pupil's hair.
- Closure of a sibling's school for INSET (or other) purposes.
- An unwillingness to attend school, or inability to attend owing to inadequate personal/family organisation.
- A refusal to attend school on health grounds but where the pupil is considered well enough to attend.
- Absences taken without the authorisation of the school.

5. Our Procedures

5.1 Register Keeping and Recording

The Education (Pupil Registration) (England) Regulations 2006, as amended by 2016 regulations, require schools to take an attendance register twice a day, once at the start of the morning session and then again during the afternoon session.

For the purpose of this policy, the school defines:

"Absence" as:

- Arrival at school after the register has closed.
- Not attending school for reason.

"Regular" attendance as:

- Attendance at every session the school is open to pupils unless their absence has been authorised.

Pupils must arrive in school **by the latest of 08:50**. The gates are opened by staff including a member of the Senior Leadership Team at 08:40 every morning.

The register for the first session will be taken at 08:50 and will be kept open until 09:10. The register for the second session will be taken at 13:00.

Registers are legal records and all schools must preserve every entry in the attendance or admission register for 6 years from the date the data was entered. As the attendance register is a record of the pupils present at the time it was taken, the register should only routinely be amended where the reason for absence cannot be established at the time it is taken and it is subsequently necessary to correct the entry. Where amendments are made, all schools must ensure the register shows the original entry, the amended entry, the reason for the amendment, the date on which the amendment was made, and the name of the person who made the amendment On each occasion the register is taken the appropriate national attendance and absence code must be entered for every pupil (of both compulsory and non- compulsory school age) whose name is listed in the admission register at the time.
The codes enable schools to record and monitor attendance and absence in a consistent way and are used to collect statistics. The data helps schools, local authorities, and the government gain a greater understanding of the delivery of education and the level of, and reason for, absence.

Reporting to parents

The school will regularly inform parents about their child's attendance and absence levels. If a child is flagged within attendance reviews for attendance less than 95% the parents may receive a warning letter, to bring their attention to the amount of school time missed and the potential impact.

5.2 Late Arrival at School

At Longparish all pupils are expected to arrive on time for every day of the school year. The school day begins at 08:50. We advise all parents to ensure their child is on site prior to this. The school register will be taken at 08:50. All pupils arriving after this time are required to report to the main office with their parents, who will be expected to sign the late book and provide a reason for their absence.

The school register will officially close at 09:10 All pupils arriving on or after this time will be marked as having an unauthorised absence for the session - U code (Late after the close of register). This is categorised as an unauthorised absence for the session. Parents will be contacted to discuss any patterns of late arrival. Repeated arrival after the close of registration will result in appropriate interventions being instigated and may also result in a penalty notice being issued or prosecution.

Registers are legal records, and all schools must preserve every entry in the attendance or admission register for 6 years from the date the data was entered. As the attendance register is a record of the pupils present at the time it was taken, the register should only routinely be amended where the reason for absence cannot be established at the time it is taken and it is subsequently necessary to correct the entry. Where amendments are made, all schools must ensure the register shows the original entry, the amended entry, the reason for the amendment, the date on which the amendment was made, and the name of the person who made the amendment.

5.3 Expected absence procedure for parents:

A parent has a legal responsibility to ensure that their child attends school regularly. If a child is unavoidably absent from school parents are expected to contact school by email on the morning of the first day of absence and on each subsequent day, identifying the reason for absence and the expected date of return. This is then recorded on ARBOR by the school. If no contact is received, then absence protocols will be instigated.

If a child is absent, the following actions will be initiated by the school:

- The first day calling procedures will be activated for all pupils who are not in school after close of register at 09:15 and where no reason for absence is known.
- If there is still no contact made from the pupil's parents, a further telephone

call home will be made again that morning. If no response can be gained, the child's named emergency contact will be telephoned.
- If school cannot contact a parent a home visit may be carried out.
- School will telephone home if a pupil leaves the school without permission

This is because we have a duty to ensure your child's safety as well as their regular school attendance

Third Day Absence

Please Note: If your child is not seen and contact has not been established with you or any of the named parent/carers after three days of absence, the school is required to start **'child missing in education procedures'** as set down by Hampshire County Council Guidance. We will make all reasonable enquires to establish contact with parents and the child including making enquires to known friends and wider family. In circumstances of persistent absence the Family Support Worker may visit the family home to try to establish contact.

Ten Day's Absence
We have a legal duty to report the absence of any pupil who is absent without an explanation for 10 consecutive days. If the child is not seen and contact has not been established with the named parent/carer then the Local Authority is notified that the child is **'at risk of missing'**. Children's Services staff will visit the last known address and alert key services to locate the child. Help us to help you and your child by making sure we always have an up to date contact number.

Continued or Ongoing Absence
If your child misses 10% (3 weeks / 30 sessions) or more schooling across the school year for whatever reason they are defined as persistent absentees. Where this absence is authorised, school will meet with parents / carers in order to ascertain any underlying medical reasons for the level of absence. The school may decide not to authorise any future absences without medical evidence.

Absence for whatever reason disadvantages a child by creating gaps in his or her learning. Research shows these gaps affect attainment when attendance falls below 95%. As such we monitor all absence thoroughly and all attendance data is shared with the Local Authority and the Department for Education. If your child has had absence and their attendance level is falling towards 90% we will contact you and depending on the reasons for the absence we will agree a plan with you to ensure that attendance improves.

Ten minutes late every day equates to 33 hours of lost learning every year.

Persistent absentee pupils and their parents may be subject to an Attendance Plan or Home/school contract.

Children at this school are dependent on their parents/carers, who are responsible for their level of attendance and punctuality. It is vital that children enjoy coming to school and, whilst

being encouraged to attend well and on time, will not carry blame and be made to feel unhappy if their parents are not supportive or effective in these areas

In certain circumstances the School may also:

- Visit the home of the pupil.
- Write to the parents of a pupil to highlight attendance or punctuality issues.
- Invite parents to discuss how school can support the family to make improvement.
- Refer to Inclusion Support Service for support, guidance, and advice. Refer to the Local Authority for joint enquiries to be made to establish the whereabouts of the child through Inclusion Support Service (ISS) | Hampshire County Council (hants.gov.uk) and Behaviour and attendance resources for schools | Hampshire County Council (hants.gov.uk)
- Refer to the Local Authority to consider issuing a penalty notice or to consider prosecution when all other interventions have failed, or an unauthorised leave of absence has been taken.
- Refer the matter to an appropriate external agency for multi-agency support, such as implementing a Family Support Plan or consulting with the Children's Social Care or the police, where there are safeguarding concerns.

Monitor and Analyse attendance

We will:

- Monitor and analyse weekly attendance patterns and trends and deliver intervention and support in a targeted way to pupils and families. This will go beyond headline attendance percentages and should look at individual pupils, cohorts and year groups (including their punctuality) across the school.
- Use this analysis to provide regular attendance reports to class teachers or tutors to facilitate discussions with pupils and to leaders (including any special educational needs coordinators, designated safeguarding leads and pupil premium leads).
- Undertake frequent individual level analysis to identify the pupils who need support and focus staff efforts on developing targeted actions for those cases.
- Conduct thorough analysis of half-termly, termly, and full year data to identify patterns and trends. This should include analysis of pupils and cohorts and identifying patterns in uses of certain codes, days of poor attendance and where appropriate, subjects which have low lesson attendance.
- Benchmark attendance data (at whole school, year group and cohort level) against local, regional, and national levels to identify areas of focus for improvement.
- Devise specific strategies to address areas of poor attendance identified through data.
- Monitor in the data the impact of school wide attendance efforts, including any specific strategies implemented. The findings should then be used to evaluate approaches or inform future strategies.

- Provide data and reports to support the work of the board or governing body and local authority when appropriate.

Sometimes the school can be made aware of the fact a child is on holiday whilst the parents are informing the school that the child is ill. If the school is made aware of such a situation they will investigate and may request a meeting with the parents or may send a letter of warning. (see appendix).

At **Longparish** we will investigate any pupils who are on track to be persistently absent (PA) and will not wait until attendance is below 90%.

“Persistent absenteeism” (PA) as:

- Missing 10% or more of schooling across the year for any reason.

“Severe absence” (SA) as:

- Missing 50% or more of schooling across the year for any reason.

5.4 Support Systems

We recognise that poor attendance can be an indication of difficulties in a family’s life. This may be related to problems at home and or in school. Parents are encouraged to inform school of any difficulties or changes in circumstances that may affect their child’s attendance and/or behaviour in school, for example: bereavement, divorce/separation, emerging health concerns. This will help the school identify any additional support that may be required.

We also recognise that some pupils are more likely to require additional support to attain good attendance. The school will implement a range of strategies to support improved attendance based on the individual needs and circumstances of the child.

To plan the correct support, we will always invite parents and pupils to attend a meeting to discuss the concerns and devise a plan to support the child’s regular attendance. Support offered to families will be child-centred and planned in discussion and agreement with both parents and pupils.

5.5 Persistent Absence, Severe Absence and the use of legal interventions

A pupil becomes a ‘persistent absentee’ (PA) when their attendance drops to 90% and below for <u>any</u> reason. Over a full academic year this would be 38 sessions (19 days). Absence at this level could cause considerable damage to a child’s educational outcomes.

A pupil becomes a ‘severe absentee’ (SA) when their attendance drops to 50% and below for <u>any</u> reason. Over a full academic year this would be 90 sessions (45 days). Absence at this level is causing considerable damage to a child’s educational outcomes.

The attendance of all pupils at our school are monitored to identify children who are PA, or are on track to becoming PA. Where emerging concerns are identified we will

instigate appropriate and timely interventions as outlined in the section above. Referrals may also be made to external agencies for targeted support. Inclusion Support Service (ISS) | Hampshire County Council (hants.gov.uk)

If parents fail to engage with support and their child continues to have unsatisfactory attendance/ punctuality, it is a duty for the school to put in a request to Hampshire Local Authority to pursue legal proceedings either through a penalty notice, consideration of an Education Supervision Order or prosecution via the Magistrates' Court. The school does not receive any payment of any penalty notice

Parents found guilty of failing to secure their child's regular attendance at school under the provisions of the Education Act 1996, will receive a criminal record and a maximum penalty of a £1000 fine under a Section 444 (1) offence or a £2500 fine or up to a 3-month prison sentence, under a Section 444 (1a) offence.

In line with Hampshire County Council guidance, we will notify the Inclusion Support Service of all reduced timetables as soon as a plan has been agreed.

Appendix 1a: Fixed penalty notice whole school warning letter

Dear Parent,
Date: xx/xx

Attendance at school and legal intervention

Where parents decide to have their child registered at school, they have an additional legal duty to ensure their child attends that school regularly.

Research commissioned by the Department for Education shows missing school for even a day can mean a child is less likely to achieve good grades, which can have a damaging effect on their life chances. At Longparish CE Primary School our aim is to work with parents to ensure that all our pupils receive the most from their education and reach their full potential.

This letter is to remind all parents about the law that requires them to ensure that their child attends school regularly. The Government is very clear that no child should miss school apart from in exceptional circumstances and schools must take steps to reduce absence to support children's attainment.

The DfE policy document entitled, 'Working together to improve school attendance' states:

All schools are able to grant a leave of absence at their discretion. A leave of absence from school maintained by a local authority or a special school not maintained by a local authority, must not be granted unless there are exceptional circumstances. Generally, a need or desire for a holiday or other absence for the purpose of leisure and recreation would not constitute an exceptional circumstance.

If the school does not receive a request for leave, the head teacher will be unable to consider your individual circumstances and the absence will be recorded as unauthorised. There will be no obligation on the head teacher to reconsider authorising the leave if an application has not been made in advance.

The Local Authority operates a system where any pupil will meet the criteria for legal intervention if they have **at least 10 sessions (5 school days) lost to unauthorised absence by the pupil during 10 school weeks**. The intervention could be in the form of a fixed penalty notice. Any pupil at Longparish CE Primary School who meets the criteria, will be referred to the Local Authority for action to be considered.

If a fixed penalty notice is issued, the arrangement for the payment will be detailed on the notice. The first penalty notice issued to a parent in respect of a particular pupil will be charged at £160 if paid within 28 days. This will be reduced to £80 if paid within 21 days. A second penalty notice issued to the same parent in respect of

the same pupil is charged at a flat rate of £160 if paid within 28 days. A parent may receive more than one separate penalty notice resulting from unauthorised absence. When penalty notices are issued each parent will receive one per child. Therefore, each parent could receive multiple notices if they have more than 1 child who has been absent. You should be aware that failure to pay the total amount within the timescale will result in legal action being taken. In some circumstances, the Inclusion Support Service may choose not to issue a further penalty notice in the same academic year and may instead choose to prosecute a parent under the Education Act 1996 S444. There is no right of appeal by parents against a fixed penalty notice.

I hope we can count on your support in this matter, please do not hesitate to contact me if you have any questions.

Yours sincerely,

Headteacher

Monitoring Attendance

Dear xxxxxxx,

As I am sure you are aware, all schools must have a strong focus on ensuring children have a good attendance in school. This is one of the first things that Ofsted Inspectors will first check up on when visiting schools.

Justifiably so. Good attendance is important because:

- Statistics show a direct link between under-achievement and absence below 95%;
- regular attenders make better progress, both socially and academically;
- regular attenders find school routines, school work and friendships easier to cope with;
- regular attenders find learning more satisfying;
- regular attenders are more successful in transferring between primary school, secondary school, higher education, employment or training.

In monitoring our school attendance, we can see that xxxxx currently has an attendance this year of xxxxx%.

We appreciate that all absence is clearly accounted for by parents via email to the office on the first and subsequent days of absence. This helps us with monitoring the causes of non attendance. We are sending this letter out to raise awareness of how much school has been missed so far this year, and our concerns around this.

Please continue to work in partnership with us to ensure that your child's attendance improves. If you are struggling with this please do not hesitate to come and talk to us. Thank you for your ongoing support.

Kind regards,

School Admin Team

Arriving Late at School

Coming late to school not only disrupts the education of your child, but also the education of others! If a child is just 5 minutes late per day - this is 25 minutes per week - which is a whole guided teaching session!

The facts

Research suggests that children who are taken out of school may not be able to 'catch up' on the work they have missed and may find it more difficult when they return.

If a child misses out with settling in at the start of the school year, when they return they will be unfamiliar with the class routines.

Some children may find it difficult to renew friendships with their classmates when they return to school. Missing a day in the middle of the term can often result in missing a key input within a 2 week unit of learning.

FACT: Poor life outcomes are associated with poor attendance.

What is good attendance?

Peter's attendance is averaging at 90%

This may sound high, but what does it actually mean?

- 90% attendance means he has missed the equivalent of one half-day EVERY week.
- Over a year, this adds up to the equivalent of 4 WEEKS of learning missed!
- If this continued every year, whilst at Longparish he will miss a total of 23 WEEKS! That is the equivalent to HALF A SCHOOL YEAR of learning missed!

The school year is made up of 190 days.

95% = 9 days missed

90% = 19 days missed

85% = 29 days missed

80% = 38 days missed

75% = 48 days missed

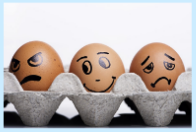

70% = 57 days missed

What is unacceptable absence?

- Minor sniffles
- Feeling a little tired
- The alarm didn't go off
- Car wouldn't start
- Shopping
- Helping out at home
- Birthdays
- Holidays
- Didn't feel like it.

What is an acceptable absence?

Contagious illnesses and recognised medical conditions

Medical and Dental appointments should be made outside of school hours unless it is an emergency appointment.

Appendix 1c: Holiday not illness letter

Dear

Absences from School

Between the period of …… and the…… (forename) was absent from school and the reason given to the school was illness. It later transpired that (forename) was absent due to being on holiday.

The school has clearly communicated by way of school newsletters and the school website, the process regarding children being taken out of school. All leave must be requested by completing the absence request form and submitting the form to the Headteacher. Due to no form being submitted to the school, the absence has been recorded as unauthorised on your child's legal registration certificate.

I have enclosed a copy of the School's Attendance Policy related to leave of absence and the information leaflet from Hampshire County Council regarding Penalty Notices for non-attendance of school. Both explain in detail the conditions for issuing a penalty notice for unauthorised absence. Please also see the link below for information:-
https://www.hants.gov.uk/educationandlearning/behaviour-attendance-parents

If (forename) has any further unauthorised absences from school within a 10 week school period, this will result in a Penalty Notice being issued without warning.

If you require any clarification of the above information or would like to meet with me to discuss, please do not hesitate to contact me.

Yours sincerely

APPLICATION FOR PUPIL LEAVE OF ABSENCE FROM SCHOOL DURING TERM TIME

Important Information for Parents – please read before completing this form

We expect every pupil's attendance at school to be 100% unless there are exceptional or unavoidable reasons for absence. Parents do not have any legal entitlement to take their child on holiday or other absence for the purpose of leisure and recreation during term time. It is the Headteacher who decides whether a period of leave during term time will be authorised or not in line with legislation.
The Education (Pupil Registration) (England) Regulations 2006 (amended in September 2013) make it clear that Headteachers cannot grant any leave of absence during term time unless 'exceptional circumstances' exist.

Every request for leave of absence during term time will be reviewed on an individual basis with due consideration of the circumstances but the Headteacher can only grant leave of absence if they consider exceptional circumstances apply. If the exceptional circumstances are agreed, the Headteacher will determine the length of the absence to be authorised.

All requests for leave of absence should be made in advance and before any arrangements are confirmed or money committed. This form must be completed in full by the parent who intends to remove the pupil from school during term time. Failure to make a request for a leave of absence in advance will result in the absence taken being recorded as unauthorised.

I have read the above information and wish to apply for Leave of Absence from school for:

Appendix 3: Example reply to leave of absence request

Dear Parent's name,

RE: Absence during term time – Child Name (Child DOB)

Thank you for your application for absence in term time for Child's name. Whilst we appreciate your circumstances, **School Name** do not approve any absences during term time unless they are due to exceptional circumstances as per the guidance from the Department of Education.

The rationale behind this decision is that the Government has provided evidence that satisfactory progress at school is highly dependent on attendance.

School Name works closely with the Inclusion Support Service and if you choose to take your child out of school for the above unauthorised leave, we will notify the local authority and further action including legal action may be considered.

Please note that such a Penalty is issued to each parent for each child taken out of school by Hampshire Local Authority. A Penalty Notice is a fine of £80 which increases to £160 if not paid within the first 21 days.

Thereafter if the Penalty remains unpaid after 28 days this may result in legal action be taken against you. Please note that the school does not receive any money from any penalty notice. Parents have a duty to ensure their child's regular attendance at school and failure to do so is an offence under Section 444(1) of the Education Act 1996.

I have noted the dates that Child Name will be absent from **School Name**, Dates of leave and the registers will be marked with the G code (unauthorised family holiday) for this period.

If you would like to discuss the matter further, please contact the school on **School Phone Number/contact details.**

Yours sincerely

Appendix 4: Attendance Policy Quick Guide for Parents

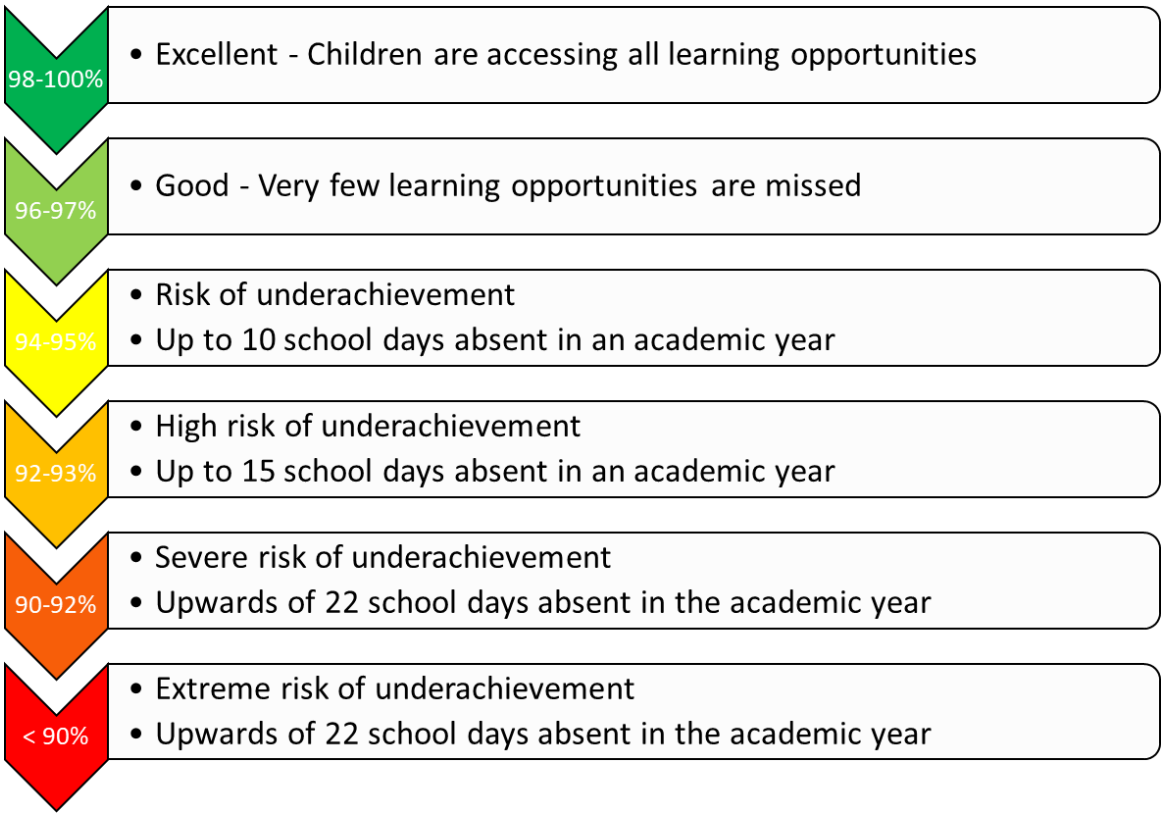

Attendance Policy Quick Guide for Parents

We expect pupils to attend school for 100% of the academic year.

You can support your child to have excellent attendance by taking these steps:

- Ensure your child arrives on time for school every day and is ready to learn. Arriving after registration is recorded as an unauthorised absence. Pupils must be in school by 08:50am.
- If your child appears to be only slightly ill, send them in to school. We have staff who will contact you if their condition deteriorates.
- Book any medical appointments outside of school hours. If this is unavoidable, please book for as late in the afternoon as possible and inform the school of appointments in advance.
- Supply a copy of the appointment card or hospital letter if your child has an appointment during school hours.

If your child becomes reluctant to go to school or you need help, please contact the school immediately; we are more likely to be able to work together to solve any problems if we act early.

‘On the day’ absences: what should I do if my child is not ‘fit’ to go into school?

On each day your child is unfit to come to school, please report this absence **by emailing the school to let us know.** In the message you must leave your child’s full name, year and class, and give the specific reason for absence. The information you give will be recorded on our official register.

Leave of Absence

There may be exceptional circumstances where you need to request a leave of absence for your child. Please use our ‘Leave of absence request’ form to make these types of requests. The form should be submitted in advance of the leave of absence, via adminoffice@longparish.hants.sch.uk. You will receive a letter in response, to advise if the request has been granted or declined.

Punctuality

Pupils are expected to arrive on time for school in the morning and for every lesson during the day. Your child is late to school if they are not in by 08:50

The Government remains very clear that no child should miss school apart from in exceptional circumstances and schools must continue to take steps to reduce absence to support children’s attainment. I hope we can count on your support in this matter.

Please contact **the school office** if you require any support with ensuring your child’s regular school attendance.
